

Hello,

Welcome to first grade. My name is Mrs. Oakes and I can't wait to be your teacher this year. First grade is the best grade ever! We learn so much and have a ton of fun! This year you'll get to play many math games, sit in your very own book nook, write stories, sing songs, go on fabulous field trips and pick prizes from the treasure chest. I can't wait to meet you. Enjoy the rest of your summer! I will see you at Open House!

Love,  
Mrs. Oakes
