

To My First Grade Parents and Guardians

I gave you a little wink and smile
As you came in my room that day
For I know how hard it is to leave
And know your child must stay
You've been with them for many years
And have been a loving guide
But now, alas, the time has come
To leave them at my side
For as a parent, I know too
How quickly the years do pass
And one day it will be my turn
To take my child to class
Just know that as you drive away
And tears down your cheeks may flow
I'll love them as I would my own
And help them learn and grow
So please put your mind at ease
And cry those tears no more
For I will love them and take them in
When you leave them at my door.
